Dear Parents and Students:

The Board of Trustees for School District 60 (Peace River North) advises that district transportation services transporting students from Dr Kearney Middle School are reserved only for regular bus students who require transportation in order to reach homes outside of Ft St John. As a result of ongoing efforts to reduce transportation costs and to find efficiencies within our transportation network, the number of busses running from Dr Kearney has been reduced. Consequently the district's past practice of allowing casual riders to occupy any empty seats and ride from Dr Kearney to NPSS has been discontinued. There are no longer many empty seats available, and the challenge of allocating the few remaining seats on an equitable basis is creating difficulties for both regular riders and school district personnel. Students who live within the city of Fort St John are requested to find alternate means of making their way across town. Your patience and understanding in this matter is appreciated.

Sincerely yours

Mr. Dave Sloan

Superintendent of Schools
