

Dr. Kearney – 2017/18

Framework for Enhancing Student Learning
Summary

Vision

At Dr. Kearney we challenge, encourage and support all our community members to become responsible citizens capable of adapting to and changing the world.

About Dr. Kearney:

We are a vibrant middle school offering classes in grades 7-9. We enrol a diverse student population of 571, 24 % of whom are of First Nations or Métis descent. Our school has a staff of 34 teachers and 203 support staff. The staff includes a principal, vice principal, 2 counsellors, Learning Assistant services and part time librarian. In addition to a full range of educational services the school also supports a Resource Centre program for students living with physical and developmental challenges.

Our school embodies a commitment to child centered learning, a focus on collaborative planning, and providing a quality education in a caring environment.
